Why **Australia**

Australia is the world's sixth-largest country by total area and has a population of approximately 26 million people, with most people living in the 6 major cities including Melbourne and Sydney. Australia's popularity as an education destination for international students is forecast to continue long term, fueled by the economy's continued steady growth, high standards of living and lifestyle opportunities among numerous other factors. Australia's vocational education and training (VET) sector enables students to gain practical qualifications.

Living in **Melbourne**

It is a city of endless opportunities with high quality education, entertainment, tourism and sports. Every year Melbourne is the hub for many different types of events which include, The Melbourne Cup, Australian Open, Comedy Festival and Formula 1 among others. Melbourne comprises a multi-cultural community that enjoys entertainment, food and fashion which makes it an exciting and vibrant city to visit and live in.
